50X1-HUM

1. A new Albanian clandestine radio station, which has been vigorously denouncing the Albanian Communist regime, and is known as the "Voice of Free Albania," has been heard recently on short wave.
2. The station has advised its listeners that it will broadcast instructions for sabotaging the regime.
3. Although the location of the station is unknown, it is believed that it is in Albania itself, since it appears extremely well-informed on Albanian matters.
